by Akhilesh

Once there was a koalabear named Kason.
 He was wondering what to do.
 Suddenly, he spotted some treasure leaves.
 Then he started to eat some.
 Until his friend Max the wombat came.
 He asked if he could have some.
 But he said never!!!

Kason gets lonelier and lonelier.
Until one day he lost all of
his friends. The next day he saw
his friends. He ran to them
and told sorry to them and
invited wobat for a feast.

Kason and Max had a feast on a big log. Kason gave all the treasure leaves to Max. But Max gave some to Kason, because he looked hungry. They were best friends again.
